Response, dated July 27, 2009 to
Examiner's Office Action

REMARKS/ARGUMENTS

Reconsideration of the application is requested. It is believed that the application is in a condition for an allowance because of the following reasons.

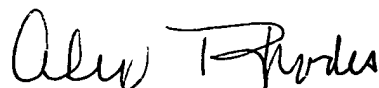

Claims 47-49 have been allowed.

Independent claim 24 has been amended to incorporate the positive limitations of allowed claim 47.

Dependent claims 31-33, and 35-37 have been amended to depend from claim 47. Since claim 47 has been allowed, for the same reasons these claims are allowable. Since claim 44 depends from claim 24 for the same reason as claim 24, claim 44 is allowable.

In view of this amendment it is contended that this application should be passed for allowance. Such favorable action by the Examiner is respectfully requested.

Respectfully submitted,
